

Sustaining Membership Program

It is no secret that Lost River Market & Deli operates at a deficit of about \$45,000 a year and has since the beginning. This deficit is covered by people who think it is important to have the store here, not just as a source of healthy food, but as a place of community. This program is designed to provide ongoing monthly support to Lost River Market and Deli. This type of membership allows for a smaller contribution that can be mailed monthly, quarterly or annually, and is built to fit into anyone's budget. To many of us the store is invaluable and this is an opportunity for members with any budget to help with the sustainability of the store.

Just as an example: if 50 members are able to pledge \$30 per month for one year that would provide the store \$18,000 in additional capital to help us stay at peak performance. Members who sign up for this program can sign up to receive an email each month as a reminder to send their gift.
